“Berdly’s amazing play”

(note: i can’t use the “s” key, i have to use the clipboard, so… i can’t write “s” in Mayus /CAPs, i hope it isn’t a problem).

ACT 0: it has to be perfect!

Kris was in a cell, Berdly and Noelle where facing the King, when she finally put the artist’s Crown

— Susie: c’mon Noelle, use the bow-

— CUT — Berdly screamed —

Everyone was pissed off, it was the sixth time they had to repeat this, always stopping near the end

—Berdly: everyone, since the beggining, NOW!

Everyone was grumbling, they were tired and deciced to just leave and call it a day

—Berdly: hey! Where are you all going?!

Berdly was somewhat dissapointed, he repeated to himself “this has to be perfect, they can’t ruin it like that”. Tomorrow was the day, all of hometown would see the play ,

“everyone will be praising me, a-and they will chant my name…” berdly thought, “yeah yeah, that, it will be perfect!”

but inside him, Deep inside him. he knew that he indeed feared failure and that was tormenting him, clouding his mind with thoughts

—Berdly:*sigh*… they don’t understand it, they don’t know how important this is to me, it has to be perfect!

—Noelle: maybe you are giving it too much importance, and maybe you where too harsh with them…

—Berdly: get that white knight costume off. They don’t understand art, at least i managed to find someone to have the role of the white knight, someone who really knows art.

Berdly took a chalkboard filled with annotations to make everything perfect

—Berdly: first we put the clothes mainwhile the scenary is being set, then we go there in act 1, and you start in the ba-

—Noelle: ehmm, i think i know the script

—Berdly[arrogant]: ah Noelle, this is a guide for every single detail, everyone will love this

—Noelle[confused]: okay?

Maybe you should forget so much detail. I know you want this to be perfect but you shouldn't worry like that

—Berdly: i see you yourself don't understand it.

—Noelle: just, don't give it too much importance, i guess i should go now, bye Berdly

—Berdly: **gasp** Dismissed Noelle…

Berdly felt bad, like a pain on his back

He just tried to let it slide, and decided to keep on going.

……

That night berdly couldn't sleep, thinking of everything to make the play perfect, after all, he was the director, and when he decided to sleep, he just stared at the roof all night.

ACT 1: today is a great day

As the afternoon was getting closer and closer, everyone was ready, the show would begin in an hour. Finally using the schoolyard for something.

—Alphys: g-get ready guys, the whole town will be h-here. since you voted to discard the Project and do this instead, t-try not to uh, fail, in this one h-he… he uhmm… Today is a great day!

The costumes where well prepared, ready for

Susie as a black knight with a literal black armor, like, duh

Berdly as the hero with musketeer-like clothes

Noelle as a Maiden with a gray dress and a hood

Jockington as the Captain with a cap and a White suit

Kris, Monster Kid and snowy as the guards with a blue suit

And some definitively minor characters

—Berdly: okay so, listen everyone! Do the best of yourself, i want no errors at all!

everyone looked away

—Susie: hey, what if i don’t do what you say…

—Berdly: H-Hey, calm down Susan-

—Susie: Susan, why do you call me like that anyway? Huh

—Noelle: susie stop!... leave berdly alone…

—Susie: huh?... well, as you please i guess…

susie walked away slowly, indifferent

—Berdly: w-wow, thanks Noelle!

—Noelle: that’s nothing

the bell rings, the scenary is set, the spectators were waiting, it was time, the play starts

an animated bar was set, the jukebox was working, Berdly was sitting in silence, catti was serving the drinks and noelle was cheering up the place

— Noelle: Hey you!

— Susie: huh? Me?

— Noelle[blushed]: ehmm… whould you dance with me in this one?

— Susie: i should improvise… uh? Who are you

— Noelle: i'm just passing by, i've never had so much fun and… freedom…

— Susie: cool, i come with the blue nerdy over there

— Noelle: Cool too! So, what do you say?

— Susie[confused]: *[this wasn't on the script…]* uh… sure

— Berdly: *[was this on the script? Uh, i can't remember uhhh, i should try cheering them…]*

Berdly got a bit closer to Noelle and whispered

— I don't think this was in the script Noelle…

— Susie: hey you Little punk! Don't ruin the momento

Susie started chasing Berdly with and axe while making a mess

— Catti: uh, don't destroy the bar, stop…

There was a joyful and playful ambient on the bar, even catti reacted… somehow. Suddenly, a loud sound was heared on the door, three soldiers, MK, Kris and snowy entered the scene

There's the princess — MK screamed — Get Her!

Noelle was caught, and susie tried to defend her

— Snowy: c'mon shoot!

— MK: Hey, you know i'm not the best at grabbing a gun

— Susie: stop right there!

with one hit susie made MK fly away

— snowy: i got her! Let’s go Kris!

— Noelle: huh? Kris, what are you?! Let me go!

— Susie: they are getting away! Do something Berdly!

Berdly unfolded a matchlock pistol but the quick happening confussed him and dropped the gun and the pellets

— Berdly: hu- huh-

The audience slightly laught at the comical moment and berdly felt embarrassed

— Susie: uh, you…

— Berdly: uh here- let me-

While Berdly was getting up, susie chased the soldiers for a dramatic effect, and now was out of the scene

— Susie: i hope no one noticed it was an accident…

— Catti: you made a mess… berdly

— Berdly: just close the curtain already…

the curtain closes and quickly the staff started preparing the next ACT

— Berdly[ashamed]: i ruined it, i ruined it… i- i-

— Kris: calm down… you did it Good…

— Noelle: yeah, no one even noticed!

— Berdly: you think so?

— Kris: yeah

— Berdly: thanks…

At the horizon you can see sun setting, the night is coming.

ACT 2: A Maiden in distress

ACT 2 begins, Noelle was brought to a tower where she was locked

Berdly and susie followed MK and got to the tower, and it was a tall tower… kinda

— Susie: what do we do heroic berdly? *[GOD i'm never repeating that again]*

— Berdly: well dear Susan, we shall, uh, divide, yes, i'll clear the area and you'll try to get to the top of the tower

— Susie: K

Berdly decided to pass thru the door and rush ins

— MK: who's that guy!

——Berdly: it's me! Berdly, *the heroic blue bird that will save the day! The comedic, goodlooking savior*

— Snowy: you aren't funny

— Berdly:…

— Jockington: stop! We were ordered by the King to keep her here

— Berdly: i won't stop here

— Jockington: sorry bud, but i can't let you do this

— MK: wow you really are a dumb bird

— We'll see if this is what a dumb bird does

Berdly shots a pellet to MK

— MK:eh you misse- i mean, uh ouch aaah

— Snowy: hey, that wasn't very funny

— Jockington: Fire!

— Berdly: hu ha huh

Berdly dodged every bullet! Maybe

— Berdly: uhg you hit me…

— Jockington: er… trap him!

Berdly got caught and thrown to a cell and locked

Jockington, MK and snowy decided to check on noelle upstairs

— Jockington: hey Kris, stay here with this guy

— Kris:… sure

Meanwhile

— Susie: Uhh, the tower wasn't so tall in practice

— Noelle: oh hi susie

— Susie: i've came to rescue you

— Noelle: It doesn't seem to be quite the time yet

— Susie: so… we should wait for Berdly…

— Noelle: i don't know what's happening down there, maybe we should do something

— Susie: like?

— Noelle[blushed]: maybe like, continue dancing, like before?

— Susie[surprised]: everyone is seeing… but, why not!

The audience was dying of all the tenderness

Meanwhile

When the guards left Kris took the keys and freed Berdly silently

— Berdly: what? Why are you freeing me?
— Kris: I was Noelle's personal guard, i gotta take her outta here. Get ready!

— Noelle[melancholic]: i wish my dad was here… or atleast my mom, can't see her anywhere here.

— Susie: huh? Don't get sad, everyone else is here……c'mon take my hand…

— Berdly: oh, i see them! Uh, what? They are dancing
— Kris: let's proceed there

Berdly stared there for some seconds

— Berdly: i wish i were like they
— Kris: c'mom!

— Noelle: the soldiers are here!
— Jockington: stop right there!
— Susie[rogue]: oh yeah? what if i don't

Susie obliterated Jockington with just one hit

MK: uh-oh

Berdly: we are here!

Kris: *unfolds a sword* c'mon shoot!

Snowy got hurt!

— Kris: susie, defend over here

— Berdly: we'll take Noelle

— MK: they are running

— Jockington: let's call the reinforcements

— Susie: HA! Only if you pass thru me

— Snowy: Hey MK, let's get outta here, tis' scary

Snowy, MK and Jockington quickly escaped

— Susie[tired]: Hey, don't run away from me…

Susie stops the chasing and decides to look at the horizon

Susie:*gasp* damn those are a lot of stairs…

(well they are off the scenary, she really looks like a Maiden in distress… guess a princess like her belongs to the nobelty, and i'm just a knight tho…)

The curtains closes…

— Noelle: susie, you look a bit tired
— Susie: i’m okay! Ready to set the castle
— Noelle: sure, there you go,,,

ACT 3: Heart to Heart

The scenary is set, a crystal palace where the King waits, it’s night time.

— Susie: wait, this is the ice palace from that weird dragon something game?
— Berdly: my dear Susan, i’m glad you understood the reference
— Noelle: excuse me wha-

The bell rings, it’s time, the last time.

— Noelle: hey susie! You finally came
— Susie: yeah sure, really easy i’m not even tired

As the heroes escaped, something was waiting for them already.
From heavens, a White armored knight fell upon them, with the armor being clean like a mirror

— Noelle: is this the White knight that Berdly found?!
— Susie: i’ve never seen this guy before
— Berdly: it is perfect, just go with the script and everything will be okay!
— Susie: ehm okay, hey you, geta way or i’ll destroy you!..
— Susie: it doesn’t seem to be answerin-

Susie got hit by it’s sword

— Berdly: let’s just continue with the script

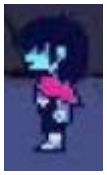
The White knight captured Kris and Noelle

— Kris: it got me!

The White knight run to the palace where the King was waiting. Kris was put on a cell by Jockington

— Jockington: you’ll never see freedom again!

— Kris:… *kris just looked to the ground*



The knight took Noelle to the King, it was the one and only TEMMIE

— Noelle: let me go! Berdly, ran away and save kris!

— Berdly: sure

— Temmie: don let hem go, gards! U teh whit one, stai here

— Noelle: save kris!

Berdly was cornered just aside Kris’ cell

— Berdly: it seems you three want a real fight huh? There can only be one bird in this town! There’s no where for two of us!

Berdly shot with his last ammunition at snowy, a direct hit

— Snowy: painful angrybirds sound

— MK: take this!

A kick in the chest made berdly fall, and Jockington strangled Berdly's body, Berdly unfolded his rapier and attacked MK, and took Jockington and used it as whip

— Noelle: evil King! You will not get me

— Temmie: u cannt scape me

— Noelle: let go of me knight!

The knight released Noelle, it was critical hit in the back by susie's AX

— Susie: you also want a fight?

The knight quickly unfolded it's sword, this was a real fight-

Susie attacked but missed, the knight's attacks where fast, nothing like in the practice agaisnt Noelle, so the berdly used his rapier to attack, it was two against one, but they still couldn't hold any longer, Berdly took the cell's key from jockington and freed Kris.

The battle continues, the knight was finally getting tired

— Berdly: it's over for you two! Ehh

— Noelle: what's wrong?

— Berdly: i- i forgot the lines uhhh

— Kris:… heart to heart i asure you both-

— Berdly[surprissed]: those are my lines…

— Berdly: yea- yeah that

— Berdly and Kris: you can't stop us, especially when we are together, none of you cant trap us inside a cage or put chains in our hands, never!

Berdly stared at kris with shining eyes, not even the feather and fluff on his face could hid the blush of his cheeks while Kris had a slight smile

The audience thought it was a really cute moment

Berdly, susie and Kris did a triple attack, making the knight faint, then, King Temmie used her secret weapon, the artist's Crown, and became a giant god

— Susie: what were we supposed to do now?

— Noelle: we just have to… uhh. Where's my bow?

— Berdly: YOU DIDN'T TOOK THE BOW?

— Susie: so the bow is on the backstage? What do we do now?

Susie and Kris stared at Berdly, they night have an idea…

God Temmie started destroying everything with her new Powers, so Kris and susie had to do this quick, so they took berdly and throw it to the Crown

— Berdly: aaaaaaaa

They missed and god Temmie took her rifle and just…

Even when he was weak, berdly snuck behind and hit the Crown, turns out the power wasn't on the Crown but on the riffle

King Temmie: hoy, it seems u got mi cronw

You shall repent.

The heroes attacked Temmie but the riffle was to powerful and hit susie

— Susie: AAGHH

— Noelle[concerned]: uhhmm that really looks dangerous

Kris used they secred akimbo hability and used susie's axe and they sword, attacking and blocking, until Noelle took temmie's gun, AND THEY KILLED TEMMIE!

— Temmie: am supousd to bi ded?

The heroes where cheering and thanked the audience until the White knight started moving again, then, determined, took it's plastic sword and stabbed the ground, creating a dark mist all arround, the near world was changing, and was getting filled with darkness, no one understood what was happening

— Susie: Kris, could this be a fountain? What do we do?

Kris bravely tried to use they determination to seal the fountain while it was raising.

From they heart, everyone's souls were shining with kris' soul, it was like if they very own soul were shining, and with a flash of light the fountain was sealed, a flash so powerful it iluminated the entire night.

Kris was in the ground, weak, the White knight was nowhere to be found, but everyone was cheering, that was amazing!

When Kris went down the scenario Toriel was waiting

— Toriel: my child, that was great! I'm so proud!

And a familiar voice was close

— *: hey Little punk, you are amazing

It was Asriel, after an entire week, he finally came, kris was tearing and only could salute with a big hug.

Susie, in the other side, was cheering Noelle

— Susie: don't worry Noelle, it doesn't matter if C. saw you or not… what really matters is that i get to be with you…

— Noelle: i-is that s-so?

— Susie: of course it is-

— Berdly: oh hi guys, you were amazing!

— Noelle: thanks Berdly, you were amazing too!

— Susie: hey Nerdly, who was that White knight guy

— Berdly: uhh, it seems i can't quite remember… *fearful smile*

— Susie: so you came here and ruined our moment, don't know who was one of the principal antagonist, made us practice six times a day for this?

— Noelle: ehm, i hope it was worth, isn't it Berdly?

— Berdly: well, i'll learn that i suck at writting, but the important things aren't the deltails but the fun and joy of creating, so yeah, it was worth it.

— Susie: it was worth it?! WORTH IT?!

— Berdly: Susan?

— Susie: that's it i'm ending you!

— Berdly: wai wai-

Susie started chasing Berdly

— Susie[angry]: come here and i'll make you a nugget!

— Noelle[laughting]: wait susie stop! Fhahahaha

— Temmie: is teh payl ober yet?
